MAGNETIC RACKS - 5/10

Having sharp knives in the kitchen is an absolute treat , and the best way to keep them sharp is to avoid glass/steel contact on the edges, and always store them on a magnetic knife rack. MAGRACKS are an easy, fast, way to care for your quality cutting tools. They eliminate the need to ever dry a cutting edge while being easy to keep clean. Just rinse the knife and attach - let your knives air dry! Roll blade off the back edge when removing.

ATKR28

AWETECH MAGNETIC RACKS

ATKR28/0094

28CM MAGNETIC KNIFE RACK

R99.00

We designed this rack to easily mount on standard 300 upper cupboards. No cutting necessary

ATKR180/00542

180CM MAGNETIC KNIFE RACK

R499.00

These are 1.8 meter aluminium racks that we have had made manufactured for use in displays, butcheries and workshops. The lengths can be cut to suit your need and the Aluminium frame means that they will take heavy use and are a treat to keep clean. Lengths come with 2 end caps per piece.

THE LEATHERMAN RANGE

Tim Leatherman's invention in 1978 - the Original Leatherman®, has developed into a whole range of compact folding high quality tools, whose "Tool Power" simply makes the challenges of life easier to handle. Tim's name is still on every tool and every tool is covered by an outstanding guarantee. If you are at all in doubt regarding the benefits of enjoying a Leatherman® tool, ask our best sales people, our millions of users.

NEW FROM LEATHERMAN - 5/10

SUPERTOOL 300™

The award-winning, Leatherman Super Tool 300 is the multi-tool for the working man. Larger pliers are the strongest we've ever produced and the sloped-top handle design means you can maneuver them further into tight spaces. When you're working with gloves on, the large side cutouts make it easy to still grab components and rolled handles make for a comfortable grip. Stranded, hard and regular wire cutters all come standard on Super Tool 300, and because they're removable you can repair or re-sharpen. 19 tools all ready for your toughest jobs. Super Tool 300 is back from vacation and ready to get to work.

R955.00

FREESTYLE™

The first thing you'll probably notice with the Leatherman Freestyle is opening the outside-accessible blade is easy and fast, just like a pocket knife. When you unfold it and use the pliers you'll understand that when something is engineered correctly, power isn't a matter of size, but a matter of years of design expertise. Freestyle is great as a stand-alone tool or a companion for those activity-specific tools that don't feature pliers or a knife.

FREESTYLE CX™

This little knife/tool hybrid is packing one heck of a material list. To start, the Leatherman Freestyle CX features DLC coating for scratch and corrosion resistance, making it great for those adventures that really put your gear to the test. Next the premium 154CM knife blade holds its edge three-times as long as traditional stainless steel. And finally with its powerful jaws, outside-accessible blade, and removable pocket clip, you can use it like a pocket knife, or a multi-tool. And while those last features aren't really "materials," we think you'll agree flexibility and adaptability are pretty much priceless any way you look at it.

THE LEATHERMAN BEST SELLER - 5/10

WAVE II

WAVE II™

Leatherman's® best selling multi-tool, now redesigned with the most requested features - and more. Larger knives, stronger pliers, longer wire cutters and all-locking blades make the Wave II™ an essential piece of equipment for outdoor enthusiasts and professionals. Large and small bit drivers give added versatility and larger thumbholes on two outside blades provide quick one-handed access. Comes with 2 way pouch

LEATHERMAN MULTITOOLS - 5/10

CHARGE TTI

CHARGE TTI™

The Charge AL and ALX were just too hard to beat, so we didn't even try-we simply combined them. The Charge TTI features a cutting hook, scissors, outside-accessible blades, bit drivers, crimpers and more. But we had to give the TTI its own claim to fame. That's where the comfort-sculpted titanium handles and the S30V® stainless steel clip-point knife come in. Grab a hold of one today and you'll quickly see why the Charge models are the top-end of our multi-tool collection.

LM434/00919	STD BOX, LEATHER POUCH	R1649.00

CHARGE AL

CHARGE AL™

Charge® AL includes scissors that slice through just about anything with beveled edges that allow them to get close to whatever you're cutting, for a clean trim every time. Bit drivers for versatility, diamond-coated file for fine-point work and a 154CM clip-point knife are all housed in 6061-T6, hard-anodized aluminium alloy handles. Rounded edges for grip comfort and a stainless steel badge make this a Leatherman that's really earned its name.

SELWAY

SELWAY™

The new Selway™ hunting knife incorporates unique design, forward thinking features and legendary Leatherman quality. The Selway, named after the famous hunting area in Idaho, provides users with a premium knife at a not-so-premium price. The unique design behind the Selway combines a blade and gut hook into a streamlined, comfort grip handle. The unique slide-out handle design (gut hook) and secure lockback system (knife) enable the user to stow the one implement while using the other, for maximum safety.

*The communication range quoted is calculated based on an unobstructed line of sight test under optimum conditions. Actual range will vary depending on terrain and conditions, and is often dramatically less than the maximum possible. Your actual range will be limited by several factors including, but not limited to: terrain, weather conditions, electromagnetic interference, and obstructions

FENIX LIGHTS - 5/10

Incandescent lights are about 1% efficient and fragile... while LEDs are about 10% efficient and almost indestructible. LEDs allow far brighter lights powered by smaller batteries so they are called "EDC" lights... EDC means "Every Day Carry", so the idea is to create lights that are with you when you need them. "Regulated" LEDs deliver more stable output so the brightness of the lights remains the same while the batteries are able to drive the LED. Regulation also means you can use lower voltage rechargeable batteries and still enjoy the phenomenal performance and the lower cost of use! The output of these lights is truly amazing: our PD20 - a 57 gram light outshines the traditional 5 or 6 cell, even with the LED conversions! All the Fenix lights are built waterproof to IPX-8 Standard (submerged 2m underwater for 30 minutes). Most Fenix's offer "modes" - so 4 different power levels to match your needs, as well as functions like Strobe to get attention and SOS for when you are SOL.... Google "Flashaholic" and learn. The more you know, the better we look!

"WSL" means "While Stock Lasts" and usually refers to products that have been superseded with a new design. The pricing of WSL's make them a great buy.

Fenix "AAA" series

E01

FLE01/0089 FENIX E01 R169.00
7.1cm (L) x 1.4cm (D); Fenix's new entry level AAA light, is dramatically more efficient with 23 hours fully regulated burn (and a 7 hour die down.) A serious easy to carry illumination tool. Flat panels in body make for clearer laser engraving. Blue, Purple, Orange, Natural and Black colours available. Includes 1 x AAA Battery, spare "O"-ring, split ring, reversible pocket clip (Can be used as headlight clipped to baseball cap)

L0D SE & Q4

FLL0DQ4/00981 FENIX LOD Q4 **WSL R329.00**
7.3cm (L) x 1.4cm (D); Uses one 1.5 volt AAA regular battery
Lifetime Luxeon LED - 5 output types: 12 Lumens(3hrs)/4.5 Lumens(8hrs)/30 Lumens(1hrs)/ Strobe/SOS
Lifetime Cree Q4 LE - 5 output types: 20 Lumens(2.5hrs) / 7.5 Lumens(8hrs) / 75 Lumens(1hrs) / Strobe / SOS
Includes 1 x AAA Battery, spare "O"-ring, split ring, pocket clip

LD05

FLLD05/00533 FENIX LD05 R569.00
Size: 149 mm (L) x 14 mm (D); Uses two 1.5V AA battery (included) & Cree XP-E LED
General Mode: 4 lumens (23hrs)/32 lumens (5hrs)/100 lumens (1.5hrs)
Includes 2 x AAA Batteries, 2 spare "O"-rings

Fenix "AA" series

E20

FLE20/00991 FENIX E20 R379.00
15.3cm (L) x 2.5cm (D); Fenix's new entry-level 2AA light featuring a bright regulated LED delivering 3.3 hours at 109 lumens +die down. Awesome performance at a great price. Available in Black
Includes 2 x AA Battery, 2 spare "O"-rings, wrist lanyard, spare rubber switch boot

LD10

FLLD10/00583 FENIX LD10 R679.00
Size: 10 cm (L) x 2.15 cm (D); Uses one 1.5V AA battery (included) & Cree 7090 XR-E LED
General Mode: 9 lumens (34hrs)/47 lumens (6hrs)/94 lumens (2.2hrs)/SOS
Turbo Mode: 120 lumens (1.5hrs)/Strobe
Available in Black
Includes 1 x AA Battery, 2 spare "O"-rings, split ring, pocket clip, wrist lanyard, spare rubber switch boot, nylon belt holster with top flap and velcro closure

LD20

FLLD20/00023 FENIX LD20 R679.00
Size: 150mm (L) x 21.5 mm (D); Uses two 1.5V AA batteries (included) & Cree 7090 XR-E LED
General Mode: 9 lumens (71hrs)/47 lumens (13hrs)/ 94 lumens (5hrs)/ SOS
Turbo Mode: 180 lumens (2hrs)/Strobe
Available in Black
Includes 2 x AA Batteries, 2 spare "O"-rings, wrist lanyard, spare rubber switch boot, nylon belt holster with top flap and velcro closure

MC10

FLMC10/00592 FENIX MC10 R505.00
9.9 cm (L) x 2.1cm (D); Uses one 1.5 volt AA regular battery
Lighting Mode: 127 lumens (1.2hrs)/50 lumens (5hrs)/5 lumens (65hrs)
Flashing Mode: SOS / Strobe
Available in black
Includes 1 x AA Battery, fastener, diffuser lens, body clip

HP10

FLHP10/00524 FENIX HP10 HEADBAND R729.00
One of the most serious headlamps in South Africa today. Big battery supply for long burntimes. IPX-8 rated & over 200 Lumens available
Light Unit: 5.4 cm (L) x 4.3cm (W) x 3.35 cm (H); Battery Pack: 8.4 cm (L) x 6.3cm (W) x 2.1 cm (H) Uses four 1.5 volt AA regular battery & Cree XR-E LED
Lighting Mode: 225 lumens (2.5hrs)/120 lumens (7.5hrs)/50 lumens (22hrs)/7 lumens (210hrs)
Flashing Mode: SOS(50hrs) / Warning Flash (44hrs) / Strobe (5hrs)
Includes 4 x AAA Batteries

Fenix "CR123" series

P1D

FLP1D/00051

FENIX P1D **WSL**

R299.00

7.1cm (L) x 2.1cm (D); Uses one CR123A battery & lifetime Luxeon LED
5 Output Levels: 40 lumens (2.8hrs)/70 lumens (1hrs)/7 lumens (21hrs)/Strobe/SOS
Available in black or natural finish
Includes 1 x CR123A Battery, spare "O"-ring, open top nylon belt holster, key-ring clasp

PD20

FLPD20/00993

FENIX PD20

R679.00

88mm (L) x 21.5mm (D); Uses one CR123A battery(included) & Cree 7090 XR-E LED
General Mode: 9 lumens (35hrs)/47 lumens (6.5hrs)/94 lumens (2.6hrs)/SOS
Turbo Mode: 180 lumens (1hrs)/Strobe
Available in black finish
Includes 1 x CR123A battery, 2 spare "O"-rings, pocket clip, wrist lanyard, spare rubber switch boot, nylon belt holster with top flap and velcro closure

PD30

FLPD30/00914

FENIX PD30

R719.00

118mm (L) x 21.5mm (D); Uses two CR123A batteries & Cree 7090 XR-E LED
General Mode: 9 lumens (65hrs)/70 lumens (8hrs)/117 lumens (4hrs)/ SOS
Turbo Mode: 220 lumens (1.5hrs)/ Strobe
Available in black finish
Includes 2 x CR123A Batteries, 2 spare "O"-rings, wrist lanyard, spare rubber switch boot, open top nylon belt holster

Fenix "TACTICAL" series

TK12

FLTK12R5/00525

FENIX TK12R5 TACTICAL

R949.00

137.5mm (L) x 34mm (D); Uses two 3V CR123A lithium batteries or one 18650 Li-ion battery & Cree XP-G LED (R5).
Three modes, two types of output per mode, selected by turning the bezel (Patented)
Outdoor mode: A: 50 Lumens (12 hours); B: 225 Lumens (1.5 hours)
Camping mode: A: 5 Lumens (120 hours); B: 90 Lumens (5.5 hours)
Hunting mode: A: Strobe (3 hours); B: 225 Lumens (1.5 hours)
Max beam Length: over 200 meters
Includes 2 x CR123A Batteries, 2 spare "O"-rings, wrist lanyard, spare rubber switch boot, body clip

FLTK12R5R/00996

FENIX TK12R5 TACTICAL (Rechargeable)

R1195.00

Same specs as TK12R5
Includes 18650 Li-Ion battery and 220V double smart charger

TK30

FLTK30/009401

FENIX TK30 TACTICAL

R1795.00

Short Format: 156mm (L) x 21.5mm (D); Uses two CR123A batteries or one 18650 Li-ion battery & MC-E LED;
Searching Mode: A: 100 Lumens (5 hours); B: 370 Lumens (1 Hour);
Camping Mode: A: 12 Lumens (30 hours); B: 175 Lumens (2.7 Hours);
Hunting Mode: A: Strobe (2 hours); B: 370 Lumens (1 Hours);
Long Format: 225mm (L) x 21.5mm (D); Uses four CR123A batteries or two 18650 Li-ion batteries & MC-E LED;
Searching Mode: A: 100 Lumens (16 hours); B: 630 Lumens (1.5 Hour);
Camping Mode: A: 12 Lumens (90 hours); B: 175 Lumens (8.4 Hours);
Hunting Mode: A: Strobe (3 hours); B: 630 Lumens (1.5 Hours);
Available in black finish
Includes 2 spare "O"-rings, spare rubber switch boot, lanyard , extension tube, a battery positive connector

FLTK30R/009421

FENIX TK30 TACTICAL (Rechargeable)

R2135.00

Same specs as TK30
Includes 2 x 18650 Li-Ion battery and 220V double smart charger

TK40

FLTK40M/00948

FENIX TK40 TACTICAL

R1449.00

208mm (L) x 62mm (D); Uses eight 1.5V AA batteries & Cree MC-E LED. Primary Mode: Turbo 630 Lumens, 2 hours; High 277 Lumens, 6.8 hours; Medium 93 Lumens, 20 hours; Low 13 Lumens, 150 hours.
Strobe Mode: Strobe, Slow Flash, SOS, Fast Flash
An awesome spotting light - the brightest AA torch in South Africa
Available in black finish
Includes 8 x AA Batteries (Loves Rechargeables), 2 spare "O"-rings, wrist lanyard, spare rubber switch boot, plastic carry case

TA30

FLTA30M/00944

FENIX TA30 **WSL**

R949.00

200mm (L) x 25.4mm (D); Uses three 3V CR123A lithium batteries & Cree Premium (Q5) 7090 XR-E LED; 4 Modes: High 225 Lumens, 3.5 hours; Medium 60 Lumens, 25 hours; Low 9 Lumens, 115 hours & Strobe.
Built for and to Military Specs,
Aggressive Bezel wth standard body for mounting
Available in black finish
Includes 3 x CR123A Batteries, 2 spare "O"-rings, spare rubber switch boot, lanyard

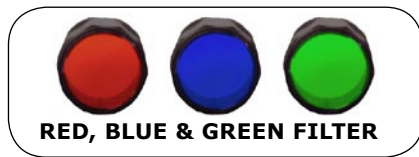

Fenix Accesories

FLD1F/0021
FED2F/0091

Diffuser Tip **R24.00**
Diffuser Lens (Fits PD, LD, HP & MC10) **R39.00**

Attaches to most Fenix flashlights to diffuse and soften the light. Made from quality durable, impact and heat resistant PC 2805 plastic. Intuitive design makes for ease of use. Evenly disperses light. Great for lighting up a small area with smooth soft light. Fits the LD & PD, series.

FLD2F/0091
FLREDF/0093
FLTKGREEN/0023
FLTKBLUE/0023

Red Filter PD Series **R49.00**
Red Filter **R69.00**
Green Filter **R55.00**
Blue Filter **R55.00**

Attaches to Selected Fenix flashlights to filter through coloured light, penetrating fog and smoke. Made from quality durable, impact and heat resistant PC 2805 plastic.

FLTW/0052

Traffic Wand **R42.00**

Tough orange plastic wand - ideal for directing traffic
Easy to attach, easy to remove
21.5mm diameter
Compatible with the following models: LD10/LD20/L1D/L2D/PD20/PD30/P2D/P3D

FLRSAR101/0098
FLRSAR102/0098

Remote Switch (TK11, TK20, TA30) **R179.00**
Remote Switch (TK12, TA21) **R179.00**

The Fenix remote switch is specially designed for Tactical lights. It features a lock on switch as well as the pressure sensitive tape switch . The cable is Max 80cm with a curly cord design that helps to keep excess cord out of the way. Easy control for your light.

FLEA0310/0091
FLEA0610/0091

LD20 CLIP **R35.00**
LD10 CLIP **R35.00**

FLHB/00911

Headband **R209.00**

The Fenix headband is specially designed for outdoor sports and converts your LD or PD flashlight into a headlamp, freeing both hands to make your outdoor exploration, climbing, hiking, cycling and travelling easier and more convenient.

FLCHRG/00911

18650 SMART BATTERY CHARGER **R195.00**

This variable size 2 Cell Li-Ion 240V battery charger switches from red indicator (charge) to Green (when charged). Will charge various Li-Ion batteries from 123R to 18650 and can save you a fortune in batteries!

FLBATT/0058

18650 LITHIUM ION BATTERY **R149.00**

This is the economical 2200ma rechargeable replacement battery for quite a few 2X123 Lithium applications. The diameter is 18 mm (VS the 16.5mm 123 diameter) so check sizing first. Output voltage, nominal 3.7V, charged 4.2V. One 18650 is the same length as 2 X 123's.

BT123/0091

LITHIUM CR123A BATTERY **R39.00**

The 3.2V camera/performance torch battery with amazing power and shelf life. Not rechargeable!

FL123/0094

FENIX CR123 RECHARGABLE BATTERY **R89.00**

Rechargeable battery from fenix

PICQUIC - 5/10

These award winning drivers are available in a choice of formats to meet your specific needs. All feature the "forced storage" system designed to reduce bit loss. A selection of over 50 different high quality bits to suit your every desire. Lifetime guarantee on the handles assures you of lasting durability.

EL18C/00967 2 X 18 Coarse Awetech custom. R1345.00

ELDMD-KIT/00922 Sharpening Kit + 3 Stones. R399.00
 With medium, fine and superfine Diamond steels for precise sharpening of all your knives. The kit comes in a handy carrier bag.

ELCCKF/00972 66F with Sharpening Guide. R489.00
ELCCKSF/00972 66SF With Sharpening Guide. R489.00
 Sharpening system to reach precision razor edges on your tools. Fine 2" x 6" Diamond steel included with sentry corrosion protection cloth

AWETECH TREKKING POLE - 5/10

A trekking pole does not have to be a single purpose product, and having a photography and hunting back ground, I wanted more features like the Camera mount, and a yoke for long lens (or shooting) stability. And how about a big compass, so you have a feel for directions, and a 3 section design allows for full height camera use and the 7075 Aluminium spec makes them crazy strong, and how about a bag, so they are all together until I need them next? I wanted it all - and I got it!

- handy camera mount.
- 3pc, 75 - 165cm length
- 7075 high spec Aluminium
- 2 compressors per lock will take over 50KG loading each
- 2 Year Guarantee

OPINEL KNIVES - 5/10

Opinel have been manufacturing simple working knives for over 100 years. Their attention to detail is amazing with all blades being double tempered giving cutting performance that is AWESOME. The high carbon blades need some care (rinsing after corrosive exposure, occasional oiling) but are a snap to sharpen and hold their edge a long time. The stainless blades are more forgiving stain wise but are slower to sharpen.

BUFF 'N POLISH BALL COMBO

FZPB101-150/00543 Flitz Buff 'n Polish Ball Combo R589.00
Contents includes: 1 x Flitz Metal Polish Paste 150g tube; 1 x 12"x12" Microfibre Polishing Cloth; 1 x Polishing & Buffing Ball (Drill not included)

SAFE & DRY FORMERLY GUN-DRY

SAFE & DRY

SD250/00991 BOX (20 SAFE & DRY SACHETS R20,00/SACHET
Protect your valuables from; high humidity corrosion, rust, condensation, bad odours, fungus, and mould. Use in: Gun safes, tool boxes, tackle boxes, storage spaces, filing cabinets, welding cabinets, etc . . .
SAFE & DRY absorbs excess moisture within your safe or toolbox thereby protecting contents from rust, mould and fungus. Moisture absorption rate is determined by factors such as climate and air flow i.e. gun-dry in a safe in the karoo will last longer than gun-dry in a toolbox in Durban. You will visually see it working as the bag fills with water.

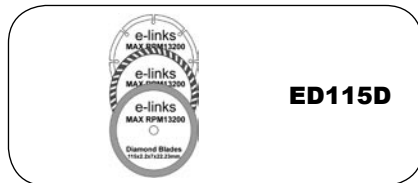

E-LINKS DIAMOND BLADES - 5/10

COMMERCIAL RANGE

We specified a high quality utility range of diamond blades to try to give the best balance of affordability and economical performance. In Diamond cutting the cheapest product does not give you the best value and so by specifying a performance rather than a price, we happily spent twice what we could get a "look alike" for to ensure performance. These blades, when used intelligently, can reduce your chasing costs by over 60%. You always have full power, and full depth available, while enjoying 1/2 the dust and 1/2 the vibration.

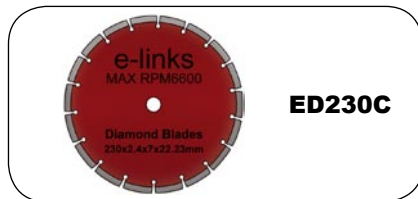

NOTE:

Drycutting, the segmented design is best for cutting as the slots allow for expansion of the blade's rim due to heat. Continuous rim should be used lightly if dry cutting. Wetcutting is preferred.

ED115D

ED115D/0094	D.I.Y 115MM 3 PIECE HANGPACK	R89.00
ED115DSE/0094	D.I.Y 115MM 3 PIECE (SEGMENTED ONLY)	R89.00

ED230C

ED230C/0056	COMMERCIAL 230MM	R110.00
--------------------	-------------------------	----------------

Our most popular blade. A balance between reasonable purchase price and great performance.

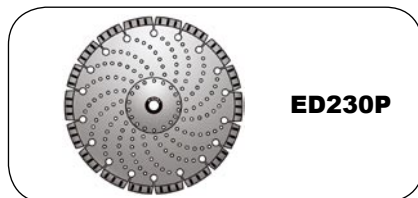

PRO RANGE

The Pro range is the most economical product to use, faster cutting, longer blade life in the long run make this even cheaper to use than the Commercial. More and bigger diamonds make this blade have a wider "envelope" where it excels. There is no blade that can truly do it all. Proper blade choice will improve your efficiency and reduce costs. See the operating hints we have for more details.

EDP450A/00999	450/30MM BLADE for Asphalt	R1749.00
EDP500G/00999	500/30 MM BLADE for Granite	R1749.00
EDH50X450/00992	50X450 HOLES AW M	R525.00
EDH115X450/00594	115X450 HOLES AW M	R869.00

Some hints on operating:

- ☺ Smooth, steady cutting, advancing to full required depth in one pass
- ☺ Avoid excessive twisting in cut
- ☺ Give your grinder a rest, as continuous full power cutting for +20 min. can be terminal on grinders
- ☺ Your grinder and blades are valuable - don't drop or mishandle
- ☺ Establish a solid, safe, work area before starting
- ☺ Diamond typically cuts 4 x as fast in mixed materials (re-inforced concrete)

Watch out!

- ☺ Excessive force will cause excessive heating and cause blade to warp and wobble (parameter of blade getting bigger)
- ☺ If speed of cut drops - usually caused by "resin" clogging cutting edge (common in granite and some other stones) Diamond can't reach material to cut it. SOLUTION - Either apply water to cool or "dress" your edge on a clay brick, you will feel cut speed increase as the resin wears off, or switch to disposables. The breaking / wearing of the edge keeps a clean face on stone
- ☺ Look at the exit of cut to see if any liquid is present. Dry cuts are good - any liquid dripping out of cuts can be bad news

AWESOME KITCHEN KNIFE SETS - 5/10

AWETECH KNIFE SET

AWETECH SHARP-5 KITCHEN KNIFE SET

5 piece Kitchen Knife set with a wall hanging rack.
Knives consist of 8" Chef's Knife, 8" Slicer, 8" Bread Knife, 5" Utility Knife and 3,5" Parer Knife.

THE LEATHERMAN WARRANTY

We take extraordinary measures so that your Leatherman product will give you many years of dependable service. If it doesn't, we will gladly repair or replace it, with one of equal or greater value (if your product has been retired) under our 25-year guarantee for tools and 10 or 2-year guarantee for lights. This warranty does not cover abuse, alteration, unauthorized or unreasonable use of your Leatherman tool. This warranty does not cover sheaths, accessories, imprinting, color finishes, cleaning, or sharpening. Leatherman Tool Group is not liable for incidental or consequential damages. To obtain warranty service, you must return your tool to the authorized service center. Depending on the tool defect, they will decide whether to repair your tool or replace it with a product of equal or greater value.

Package the Tool Securely

In the package, please write legibly and include the following information.

- * Your name
- * Phone number
- * Return address
- * A brief description of all the problems
- * DO NOT SHIP US YOUR SHEATH/BOX/GIFT TIN or BITS

You are responsible for shipping costs to the authorized service center. When you return your tool, be sure to use an INSURED shipping method. They cannot be responsible for items that do not reach the service centers.

SHIPPING POLICIES

1) **Under R2500** (ex. VAT)

- shipped insured mail from R70.00 + VAT.
- drop off in Cape Town area for R50.00 + VAT.
- priority to counter from R80.00 + VAT, to door from R120.00 + VAT.

2) **Between R2500 and R4500** (ex. VAT)

- shipped insured mail at our expense.
- priority as above.

3) **Over R4500** (ex. VAT)

- shipped priority to your nearest post office at our expense.
- 72 hour courier delivery to door at our expense excluding Saturday.

4) **Courier deliveries** are based on weight, volume, & distance of parcel from major cities

(outlying areas pay fractionally higher tariffs).

NB! The above is only applicable in the Republic of South Africa and prices are subject to change.

Please contact us should you require any further information. Looking forward to being of service.

Our goal is to get the goods you need, to you, as efficiently as possible.

We maintain a guaranteed buy back policy which means we accept returns in sellable condition. Old price tags must be removed and items cleaned. We will pass credit for either the purchase price or the current trade price whichever is less. **We discourage non stocking catalogue sales.**
