

# SUPERKNIFE - 11/09

We find the inventors of a product are the most passionate about getting it right, and that is true with Super Knife. They feature the smoothest operation and the double thickness, heavy duty, knife blades that are virtually unbreakable. Compare and you will understand!

## SUPERKNIFE ROUNDEL RELEASE UTILITY KNIFE (SK2)

The ultimate utility blade knife with low profile belt clip for easy carry. Instant one hand opening. Holds SUPERKNIFE standard, hook, scraper, or contractor grade blades. No tools needed for blade replacement.
